Memory Bunting

We'd like everyone to make a unique piece of Camp 2020 bunting. We will collect this up and display at our next event.

Warning!

Do write your first name, but not your surname, for example: "Flora 1st Anytown Brownies".

Tip!

Don't print this page, go back to the website for the templates. There is a colouring in version (shown here) or a plain version if you're feeling more creative. Why not ask your siblings to join in and see how much bunting you can make!

If you don't have a printer use the dimensions below to make your own:

Sides 22.5cm

Top 18cm

Flap 16.5cm

Tip angle (bottom) 45 degrees

Top corner angle 67 degrees
