Brownies Activity

Odd Socks

What you'll need:

- ★ Old, but clean socks
- ★ Scissors
- ★ Paper
- ★ coloured pens
- ★ glue, pritt stick, or sellotape

Optional

- ★ googly eyes
- ★ scraps of fabric
- ★ wool
- ★ wrapping paper.

What to do:

1. Take a couple of old socks - you have 20 minutes using your materials to transform them into a character from your favourite story. The eyes are the most important part, if you don't have googly eyes use some paper and your coloured pens to make your characters expressive eyes. Then dress them up!
2. Decide on your puppets names, what they like or dislike, whether they are kind or nasty and what their voices are going to be like.
3. Put your puppets on each hand and get them to have a conversation. Don't forget what you decided at step 2.
4. If your brother or sister also made a puppet, see if you can invent and act out a story for your parents.

As it's our 75th Birthday, your story could be titled 'The Birthday Party'
